

Trading Standards Officer

Kidderminster, Worcestershire

Salary: £29,854-£36,019

37 hours per week

Permanent

Following the retirement of a long serving colleague, Worcestershire County Council Trading Standards Service is looking for a Trading Standards Officer to undertake the full range of enforcement duties including Weights and Measures, Food & Agricultural Standards, Product Safety and Fair Trading. The post holder will also act as the service's lead on Food & Agricultural Standards, supporting the investigative and advisory processes across the County in this area and advising Trading Standards management on policy development. The service is intelligence-led operating to the TSIOM, so the candidate will be expected to deliver the full range of tasked activities across the Trading Standards functions, including investigations and project work, as well as looking for intelligence based cases to submit to the service's monthly tasking meeting for development and delivery.

The successful candidate will be a competent Trading Standards professional, with the statutory qualification to act as an Inspector of Weights and Measures and significant experience in enforcement activity across all functions. They will also have excellent communication and problem solving skills, with the ability to prioritise their workload and work to the strict deadlines that come with an enforcement related role.

To be successful you should also be able to deal with a wide range of different customers and stakeholders as we are looking to engage with a wide range of partners and expand our portfolio of Primary Authority Businesses. If you are looking for new challenges then we'd like to hear from you.

The closing date for receipt of completed applications is 14/10/2016. Interviews will be held on 24/10/2016.

If you require further information, please contact Peter Holmes or Mark Strain on 01562-738048 / 01562-738079 or email peter.holmes@worcestershireTS.gov.uk or mark.strain@worcestershireTS.gov.uk
